

OVCRGE Equity & Diversity Committee

July 2020

We held a virtual meeting with the new VCRGE Steve Ackerman. We discussed ways that we can continue to build the committee's relationship with him and about current campus events.

We are choosing a book for the VCRGE centers to read this fall, specifically written by authors of color. Title TBD.

We are looking at partnering with the School of Education to learn about and form Affinity groups. More information to follow.
