

OVCERGE Equity & Diversity Committee

December 2020

Thank you OVCERGE center members for participating in the fall book club! We appreciate your time and willingness to share in the experience. We are planning a multi-center wrap up for early 2021.

A final book club pulse survey is on the way. Please share your thoughts about the book, and your ideas for future EAD activities.

Looking for more on campus diversity and inclusion learning opportunities? Please look at UW's Diversity Inventory.
