

Darren Martin
ACADEMIC STAFF NOMINATING COMMITTEE CANDIDATE
PERSONAL STATEMENT
(Replace Karyn Matchey starting September 15, 2020 through June 30, 2022)

- Student Services Coordinator, Division of Continuing Studies
- Academic staff member since 2004
- Associate Lecturer; instructional academic staff member Fall 2017 and Fall 2020 semesters.
- Former Member: UW-Madison Ad Hoc Student Services Advisory Committee, Division of Enrollment Management Engagement Inclusion and Diversity Committee, UW-Madison Student Academic/Non-Academic Misconduct Hearing Panels

I would love to have the opportunity to serve as a member of the Academic Staff Nominating Committee. I have served in number of roles as an advocate for staff and student participation in governance at the divisional and campus level and would work to continue to advocate for academic staff interested in campus wide governance. Campus governance is as important as individual job duties towards representing staff voices regarding campus operations at UW-Madison.
