

RESOLUTION COMMENDING MEMBERS OF THE ACADEMIC STAFF COMMITTEE

On behalf of the Chancellor's Office I want to acknowledge our debt of gratitude, one that I believe is shared by the entire academic staff, to the members of the current Academic Staff Committee for their patience and persistence in accomplishing the transition to full academic staff participation in shared governance. There were times, I am sure, that the Committee members came to believe that they had indefinite appointments on the Committee. The spirit and the quality of the debates that have taken place in this room this year are testimony to their accomplishments. The true test of any form of government lies in its capacity to survive its founding fathers and mothers. In the belief that these Founders have wrought well, and in full confidence that their successors will demonstrate that, I propose that this body express its gratitude to the outgoing Academic Staff Committee by a rising vote of thanks.

Vice Chancellor Bernard Cohen
