

**MOTIONS ON RECOMMENDATIONS FROM THE AD HOC  
ASSEMBLY REPRESENTATION ACTIVITIES COMMITTEE**

- MOTION #1: I move that Recommendation #7 of the Ad Hoc Assembly Representation Activities Committee Report (5-11-92) be implemented as outlined in Appendix A. The Academic Staff Executive Committee (ASEC) shall appoint the members from among volunteers who are Assembly representatives or alternates. If there are not enough volunteers, ASEC shall seek additional candidates. Member's from even numbered districts will serve until June 30, 1993, members from odd-numbered districts will serve until June 30, 1994. Beginning in 1993, all appointments will be for two years, with no limit on the number of terms a representative or alternate may serve on the New Representative Orientation Committee. ASEC may appoint a replacement to complete the term of a Committee member who discontinues service in the Assembly.
- MOTION #2: I move that an Ad Hoc Assembly Districting Committee be appointed by the Academic Staff Executive Committee (ASEC). In addition to reviewing districting problems/concerns, the ad hoc committee will develop bylaws for the establishment of a standing committee on districting to present to the Academic Staff Assembly by the end of 1992.
