

## Resolution Encouraging Academic Staff Participation in Governance

*Co-Sponsors: Noel Radomski, Tom Zinnen,*

Whereas the Academic Staff Assembly (ASA) representatives and the Academic Staff Executive Committee (ASEC) members strongly encourage more academic staff to participate in shared governance;

Whereas ASEC members contribute their time and talents in order to play a critical role in keeping shared governance strong and responsive;

Be it resolved that if ASEC members serve on Ad Hoc Committees or if ASEC members serve on Committees on Academic Staff Issues (CASIs) then they must serve as ex-officio, non-voting members;

Be it resolved that ASEC members serving on Campus Shared Governance Committees and Area Review Committees shall serve as voting members; and

Be it finally resolved that if this resolution (in its current form or in amended form) is approved then the Personnel Policies and Procedures Committee shall determine if any text in the Academic Staff Policies and Procedures (ASPP) needs to be modified.
