Depending on the years you were covered under the WRS, the amount of interest credited to your **Core Fund** (formerly Fixed Fund) account may vary. Core Fund effective rates were capped by law at 5% for people who began employment between Jan. 1, 1982, and Dec. 31, 1999. A change in the law provided that Core Fund effective rates apply to all employees as of Dec. 31, 1999. Core Fund gains and losses are smoothed over 5 years. By law, no increases are applied to annuities unless the effective rate increases are in excess of at least 5%.

*Rates credited in 1987 & 1989 were distorted by one-time accounting changes.

** Results include a special one-time recognition of past earnings created by 1999 WI Act 11.
