NOMINATING COMMITTEE CANDIDATE PERSONAL STATEMENT

(Replace Africa Lozano through June 30, 2019)

I am an Administrative Specialist currently working in the Department of Neurology. I have worked on campus for more than 20 years. I have experience working in an outreach department, with a research group, in an academic department, and in a clinical department. Most recently, I have been working in departmental administration. I have experience with departmental (faculty) governance and experience the importance of shared governance and committee work first hand. My previous University service has included serving on departmental committees including Alumni Relations, Board of Visitors, Climate and Diversity, Computing & IT, Outreach, Student Awards, Undergraduate, and Web. I have also served on a self-study evaluation and an educational assessment committee.
