

*As Adopted by the Faculty Senate at its Meeting on 7 November 2011*

**MOTIONS FROM ASSISTANT PROFESSOR NOAH FEINSTEIN (DISTRICT 27)  
AND ASSISTANT PROFESSOR JELENA TODOROVIC (DISTRICT 56)  
REGARDING FACULTY SENATE MEETING AUDIO RECORDINGS**

Motion 1

An audio recording of each Faculty Senate meeting should be made available on the website of the secretary of the faculty within 48 hours after the conclusion of that meeting and should remain available on that website for two years following the date of the meeting, after which it should be archived and available on request from any member of the public. Meetings of the senate that are closed to the public, as well as closed portions of senate meetings, are excepted from this rule.

Motion 2

The previous motion should be applied retroactively to recordings from the 3 October 2011 senate meeting and to audio recordings of Faculty Senate meetings from academic year 2010-11, if such recordings exist. Recordings of those past meetings should be made publicly available within the month.
