Dear colleagues,

The information below was recently sent out by the Graduate School. I am amplifying the message because we know that graduate fellowships are often confusing for L&S staff.

The Graduate School has updated and expanded its guidance on the processes for the administration of fellowships. This document, formerly called the "Internal Fellowship Process," can be accessed at <https://kb.wisc.edu/grad/99717>

In addition to step-by-step guides to administering internal and external fellowships, this document now includes answers to common topics such as:

- Is It a Fellowship?
- Internal vs. External Funding
- Who Administers the Fellowship?
- Components of a Fellowship
- Links to Offer & Confirmation Templates

Please continue all fellowship-related communication through funding@grad.wisc.edu.

Best,
Lynne
