

L&S Curriculum Committee Agenda
 Meeting Date: Oct. 11, 2022
 Meeting Time: 1:00-2:30
 Location: Bascom 52

1. 2030 Degree requirements. Discussion of principles, potential minor revisions prior to circulating [1:00-1:45].

Note: we have created an [L&S CC Box folder for this initiative](#). It includes the [entire](#) and [excerpted](#) (principles focused) Working Group report.

Draft framing for this conversation [is here](#), but we can start conversation with whether this draft framing is helpful

2. Courses. (see table below) [1:45-2:10]

3. Program Actions [2:10-2:30]

- a. **Changes to Undergraduate Certificate in Classical Humanities**
<https://next-guide.wisc.edu/programadmin/?key=167>. Reduces credits to 15.
- b. **Changes to African Cultural Studies BA/BS:**
<https://next-guide.wisc.edu/programadmin/?key=66> Reduces the major’s language requirements from four to two semesters. Requirements have been restructured to allow for study in language or literature and culture.
- c. **Music: Education.** Changing requirements; creation of two new Named Options.
 “Parent” plan: <https://next-guide.wisc.edu/programadmin/?key=700> Reduces total credits to 120 for the degree, aligns curriculum with WI teaching licensure requirements for music education, and creates requirements that can be encoded in DARS under the named options.
 - i. New Named Option “Instrumental/General”
<https://next-guide.wisc.edu/programadmin/?key=1264> Meets the new WI teaching licensure requirements for music education with an instrumental background and allows for requirements that can be coded in DARS.
 - ii. New Named Option: “Named option Choral/General”
<https://next-guide.wisc.edu/programadmin/?key=1265> Meets the new WI teaching licensure requirements for music education with a choral background and allows for requirements that can be coded in DARS.

4. Minutes: 9-27-2022 Minutes ([see Box](#))
