CS/RS = 18

Unidentified = 4

Total = 57

**Scale:**

5 – very satisfied

4 – somewhat satisfied

3 – neutral

2 – somewhat dissatisfied

1 – very dissatisfied

**Summary of Comments:**

- Students would like more applied classes in which they can learn skills to transfer to jobs. Offer some business communication courses in the department.
- More production and radio courses requested.
- Facilities are not comparable to those in other departments.
- Some courses are too crowded.
- More faculty need to be hired to teach courses in the major. Some courses need to be taught more frequently.
- Some course content is redundant.
- Many courses are taught on only two days (Tuesday and Thursday).
- Costs of taking some courses (production) are high.

### Scale:

- 5 -- very satisfied
- 4 -- somewhat satisfied
- 3 -- neutral
- 2 -- somewhat dissatisfied
- 1 -- very dissatisfied

### Summary of Comments:

Dislike the use of 4070 Vilas for a classroom.

Classes overlap too much in content.

Too many courses are offered at the same time of the day.

Too many upper-level courses are taught by graduate students.

### Production:

Offer more production courses

Equipment out-of-date

Notify students of courses that will be offered in the upcoming year

Better inform them about the application process

Too many students/too little equipment
