### MILESTONES

Date Submitted: 2/7/2017  
Initial Approval: 2/7/2017  
Expiration: 2/6/2018

The assigned Staff Reviewer is most familiar with the protocol under review and is the best person to contact with questions.

Contact information for Staff Reviewers can be found here:

<https://irb.wisc.edu/irb-office/>

2. Do not include questions in responses to Reviewer Notes, as this will likely require that the application be sent back again. Please contact the Staff Reviewer directly (by phone or email) to ask questions about Reviewer Notes, status of a project, and the best course of action.
